AUROVILLE FOUNDATION INVITES APPLICATIONS FOR FELLOWS

Auroville, referred to as “**the City of Dawn**”, was founded by **Mira Alfassa**, the **spiritual collaborator** of **Sri Aurobindo** who was fondly known as ‘**The Mother**’. Auroville was **inaugurated** in the year **1968**. The Mother **invited to Auroville, all men and women of goodwill** from all over the world. At the centre of this developing city stands the **Matrimandir**, the “Soul of the City”, a place for individual silent concentration, in an elliptical Peace Area (the Park of Unity), surrounded by a lake.

Today, Auroville is recognised as the first and **only internationally ongoing experiment in human unity and transformation of consciousness, endorsed by UNESCO**.

Auroville, the spiritual township named after Sri Aurobindo, is going forward to manifest the **city planned for 50,000 residents** as per the vision of its founder - The Mother. This is based on the **Galaxy Plan** conceptualised by The Mother and designed by Roger Anger, its chief -architect. The city is meant to house those who are seeking a higher and truer life and wish to consecrate their lives to the inner discovery. This is a unique city that has **inhabitants from over 60 countries** of the world. The city has been designed to manifest a **synthesis of the material abundance** and beauty with divinity and a **spiritual attitude to life** filled with a new, **higher consciousness**.
